Dear Premier Ford:

Speeding on provincial, county and municipal roadways continues to put the lives of Ontarians at risk. While we have access to several tools to help mitigate speeding traffic, the one tool that is currently not fully available to us is Automatic Speed Enforcement (ASE) (aka Photo Radar). Over the past decade, in South West Oxford the vast majority of charges laid are for drivers travelling well in excess of the posted speed limit. The cost of providing police time for something that could be done through the use of technology is disturbing to our council. The Council feels that it would be far more effective to have police concentrate on other problems such as Break and Enters, illegal drugs and domestic problems.

We need a way to address the poor behaviours and habits that are putting our citizens at risk and tying up much needed first responder resources that could be better utilized to improve the well-being of our communities. Speeding, particularly through our small villages, creates community concerns for the safety and wellbeing of our children and other vulnerable members. We need your help.

In keeping with this The Council of the Township of South-West Oxford duly moved and carried the following resolution at the regular meeting held on January 5, 2021:

...RESOLVED that the Council of the Township of South-West Oxford provide direction to the Clerk to send a letter to the Premier, MPP Ernie Hardeman, AMO and all Ontario municipalities in support of the use of Automatic Speed Enforcement (photo radar) by municipalities.

Please help municipalities in the Province by passing the necessary regulations for municipalities to use ASE (if they choose) that will bring about the driving behavioural changes we need.

We look forward to your help with this issue.

Re: Advocacy for Reform – MFIPPA Legislation

At the Township of Guelph/Eramosa's Regular Meeting of Council held on Monday February 1, 2021, the following resolution was put forward and passed:

Be it resolved that the Council of the Township of Guelph/Eramosa has received Clerk's Department Report 21/03 regarding Advocacy for Reform – MFIPPA Legislation; and

That that the following motions be passed in support of a request to review and reform of the Municipal Freedom of Information and Protection of Privacy Act:

WHEREAS the Municipal Freedom of Information and Protection of Privacy Act R.S.O. 1990 (MFIPPA) dates back 30 years;

AND WHEREAS municipalities, including the Township of Guelph/Eramosa, practice and continue to promote open and transparent government operations, actively disseminate information and routinely disclose public documents upon request outside of the MFIPPA process;

AND WHEREAS government operations, public expectations, technologies, and legislation surrounding accountability and transparency have dramatically changed and MFIPPA has not advanced in line with these changes;

AND WHEREAS the creation, storage and utilization of records has changed significantly, and the Municipal Clerk of the Municipality is responsible for records and information management programs as prescribed by the Municipal Act, 2001;

AND WHEREAS regulation 823 under MFIPPA continues to reference antiquated technology and does not adequately provide for cost recovery, and these financial shortfalls are borne by the municipal taxpayer;

AND WHEREAS the threshold to establish frivolous and/or vexatious requests is unreasonably high and allows for harassment of staff and members of municipal councils, and unreasonably affects the operations of the municipality;

AND WHEREAS the Act fails to recognize how multiple requests from an individual, shortage of staff resources or the expense of producing a record due to its size, number or physical location does not allow for time extensions to deliver requests and unreasonably affects the operations of the municipality;

AND WHEREAS the name of the requestor is not permitted to be disclosed to anyone other than the person processing the access request, and this anonymity is used by requesters to abuse the MFIPPA process and does not align with the spirit of openness and transparency embraced by municipalities;

AND WHEREAS legal professionals use MFIPPA to gain access to information launch litigation against institutions, where other remedies exist;

AND WHEREAS there are limited resources to assist administrators or requestors to navigate the legislative process;

AND WHEREAS reform is needed to address societal and technological changes in addition to global privacy concerns and consistency across provincial legislation;

BE IT RESOLVED THAT the Ministry of Government and Consumer Services be requested to review the MFIPPA, and consider recommendations as follows:

1. That MFIPPA assign the Municipal Clerk, or designate to be the Head under the Act;
2. That MFIPPA be updated to address current and emerging technologies;
3. That MFIPPA regulate the need for consistent routine disclosure practices across institutions;
4. That the threshold for frivolous and/or vexatious actions be reviewed, and take into consideration the community and available resources in which it is applied;
5. That the threshold for frivolous and/or vexatious also consider the anonymity of requesters, their abusive nature and language in

requests to ensure protection from harassment as provided for in Occupational Health and Safety Act;

6. That the application and scalability of fees be designed to ensure taxpayers are protected from persons abusing the access to information process;
7. That administrative practices implied or required under the Act, including those of the IPC, be reviewed and modernized;
8. That the integrity of the Act be maintained to protect personal privacy and transparent governments.

Please accept this for your information and any necessary action.

WHEREAS the Government of Canada passed the *Cannabis Act S.C. 2018, c. 16* legislation legalizing properties to grow a maximum of 4 plants without a licence; and

WHEREAS Health Canada issues licences for medicinal cannabis production that are specific to set properties without municipal consultation and regardless of land use zoning by-laws; and

WHEREAS pharmaceutical companies and industries are required to follow strict regulations and governing legislation to produce medicinal products including *Narcotic Control Regulations C.R.C., c 1041* and *Controlled Drugs and Substances Act (Police Enforcement) Regulations SOR/9-234*; and

WHEREAS Municipalities are authorized under the *Planning Act, R.S.O. 1990, C. P 13* to pass a comprehensive zoning by-law that is in compliance with the appropriate County Official Plan which must be in compliance with the Provincial Policy Statement, Under *The Planning Act, 2020*; and

WHEREAS the Provincial Policy Statement, Official Plan and Zoning By-Law in effect for each area is designed to secure the long-term safety and best use of the land, water and other natural resources found in that area's natural landscape; and

WHEREAS the Municipality of Tweed has passed *Comprehensive Zoning By-Law 2012-30* and further amended it by the *Cannabis Production By-Law 2018-42*, limiting cannabis production facilities to rural industrial zoned lands with required setbacks from residential zoned properties; and

WHEREAS the Municipality of Tweed has not been consulted by Health Canada prior to the issuance of licences for properties not in compliance with the Municipal zoning by-laws for a cannabis production facility; and

WHEREAS the Province needs to amend legislation to establish a new Provincial Offence Act fine regime that creates an offence(s) when unlicensed cannabis operations break planning and environmental regulations, ignore Building Code requirements and build without a permit at a fine of at least \$100,000 per offence;

NOW THEREFORE BE IT RESOLVED THAT the Municipality of Tweed requests that immediate action be taken by all levels of government for medical cannabis licencing to follow similar regulations and guidelines as all other pharmaceutical industries;

AND FURTHER, that the Association of Municipalities of Ontario advocate with the Federation of Canadian Municipalities for advocacy to the Government of Canada for similar regulations and guidelines for medical cannabis licencing in alignment with other pharmaceutical industries;

AND FURTHER, that the distribution of medical cannabis be controlled through pharmacies in consistency of all other medications;

AND FURTHER, that Health Canada withhold licencing until the potential licence holder can provide evidence of acceptable zoning of the intended property in question;

AND FURTHER, that licenced locations be disclosed in advance to the municipalities hosting the licenced locations; and

AND FURTHER, that this resolution be circulated to the Prime Minister of Canada, Health Canada, the Premier of the Province of Ontario, the Minister of Municipal Affairs and Housing, the Ontario Provincial Police, the Association of Municipalities of Ontario, and all upper, lower and single tier municipalities within the Province of Ontario.

Dear Mr. Smith:

Re: Closure of the Ontario Fire College in Gravenhurst

The Township of Tiny Council recently reviewed correspondence dated January 14, 2021, from the Office of the Fire Marshal regarding the pending closure of the Ontario Fire College in Gravenhurst, Ontario.

The Ontario Fire College provided fire service training to hundreds of municipal fire departments, like ours, who do not have the capacity or resources to provide their own in-house training for specialized programs.

Should the Office of the Fire Marshal continue to develop fire fighter training curriculum, municipalities will now bear the cost for its use and delivery. The alternative use of Regional Training Centres, for specialized training, will be at a significant cost to municipal fire departments, including room and boarding expenses.

With the closure of the Ontario Fire College and the lack of provincial or federal funding for volunteer fire departments for much needed training, it puts municipalities at risk.

We ask that reconsideration be given to the closure of the Ontario Fire College, at the very least, until a plan is in place to support municipalities with the resources and funding that is required to adequately train and support its fire fighters.

Dear Honourable Ford:

On February 23, 2021 Council for the Town of Mono passed the following resolution regarding the impending closure of the Ontario Fire College campus in Gravenhurst, Ontario.

Resolution #8-4-2021

Moved by Ralph Manktelow, Seconded by Sharon Martin

WHEREAS the Province of Ontario wishes to close the Ontario Fire College (OFC) located in Gravenhurst; and

WHEREAS the Ontario Fire College is one of the primary sources of certified training for Ontario Firefighters; and

WHEREAS the Ontario Fire College has built a reputation of integrity, credibility, and reliability in providing some of the best training to our Fire Services within the Province of Ontario; and

WHEREAS the Ontario Fire College has been used to train and certify both Volunteer, Part-Time and Career firefighters throughout Ontario; and

WHEREAS many of our firefighters are volunteers who are on call 24/7/365 with day jobs and families that expect them to come home safely each and every time; and

WHEREAS municipalities are mandated to have fire departments, yet there is no provincial or federal funding for fire departments for much needed equipment and training; and

WHEREAS the Regional Training Centers are not all created equal and similar in function to the Ontario Fire College; and

WHEREAS the Ontario Fire College gives Ontario Firefighters another option other than Regional Training Centers to obtain National Fire Protection Association (NFPA) certifications; and

RE: TOWN OF GRAVENHURST RESOLUTION – ONTARIO FIRE COLLEGE

At the Town of Gravenhurst Committee of the Whole meeting held on February 9, 2021 the following resolution was passed:

**Moved by Councillor Lorenz
Seconded by Councillor Murray**

WHEREAS the site of the Ontario Fire College has been in institutional use since 1902 as the Muskoka Free Hospital for Consumptives and the site of many heritage buildings that require protection;

AND WHEREAS the Town of Gravenhurst has been home to the Ontario Fire College since 1957, providing world-class training and camaraderie to thousands of Firefighters from across the Province in a unique setting;

AND WHEREAS the Ontario Fire College has established the reputation to certify both Volunteer and Career firefighters in a cost effective manner, offering top-tier training to all Fire Departments in Ontario;

AND WHEREAS there is concern from several municipalities and firefighters across the Province that the closure is detrimental to their training and that downloading of training is simply too expensive for municipalities and not included in their 2021 budgets;

AND WHEREAS the Fire Marshal has a duty (F.P.P.A.S 9.2(e)) to operate and maintain a central fire college and that regional training facilities are unproven and the closure of the Ontario Fire College was implemented with no stakeholder consultation;

AND WHEREAS the community of Gravenhurst has benefitted from the employment opportunities that the Ontario Fire College has provided;

AND WHEREAS the closure of the facility will result in significant job losses and would be a detriment to the broader community;

THEREFORE BE IT RESOLVED THAT the Province of Ontario reconsider the closure of the Ontario Fire College;

AND THAT if the closure occurs, the facility and site in the Town of Gravenhurst be considered to be the location of a Regional Training Centre for Fire and Emergency Services, for all the people of Ontario;

AND THAT the Province engage the Town of Gravenhurst and community partners to use the site in a matter that fosters growth of the community in a responsible way;

Dear Premier Ford:

Please be advised that the following resolution was passed at the March 2, 2021 Howick Council meeting:

Moved by Deputy Reeve Bowman; Seconded by Councillor Hargrave:

Whereas, the Province of Ontario has announced that as of March 31, 2021 the Gravenhurst campus of the Ontario Fire College will be permanently closed; and

Whereas, the Province of Ontario announced plans to modernize and expand access to firefighter training in Ontario; and

Whereas, there has been no clear plan communicated by the Province of Ontario on how to obtain firefighter training in the absence of the Ontario Fire College campus; and

Whereas, there has been no clear plan communicated by the Province of Ontario on how firefighter training in Ontario will be modernized and expanded; and

Whereas, there has been no clear plan communicated by the Province of Ontario regarding the costs or funding for modernized and expanded firefighter training in Ontario; and

Whereas, the Township of Howick is a small rural municipality that operates a volunteer fire department to provide fire protection;

Now therefore, be it resolved that Council respectfully request a clear plan be communicated that establishes how the Province intends to modernize and expand firefighter training ensuring equal access to all municipal fire departments in Ontario, and as well, present a plan for funding to subsidise and or regulate the cost for firefighter training in the Province of Ontario. Re: Municipal Insurance Rates

West Grey Council passed the following resolution at the February 16, 2021 council meeting:

The Council of the Corporation of the Municipality of West Grey hereby supports the resolution of The Municipality of Grey Highlands dated January 22, 2021 wherein they call on the Province of Ontario to review the seven recommendations of AMO to investigate the following municipal insurance issues, as insurance premiums will soon be out of reach for many communities:

1. The provincial government adopt a model of full proportionate liability to replace joint and several liability.
2. Implement enhancements to the existing limitations period including the continued applicability of the existing 10-day rule on slip and fall cases given recent judicial interpretations and whether a one-year limitation period may be beneficial.
3. Implement a cap for economic loss awards.
4. Increase the catastrophic impairment default benefit limit to \$2 million and increase the third-party liability coverage to \$2 million in government regulated automobile insurance plans.
5. Assess and implement additional measures which would support lower premiums or alternatives to the provision of insurance services by other entities such as non-profit insurance reciprocals.

6. Compel the insurance industry to supply all necessary financial evidence, including but not limited to, premiums, claims and deductible limit changes which support its own and municipal arguments as to the fiscal impact of joint and several liability.
7. Establish a provincial and municipal working group to consider the above and put forward recommendations to the Attorney General; and

That this motion be provided to the Premier of Ontario, Minister of Finance, Attorney General of Ontario, MPP for Bruce-Grey-Owen Sound and all municipalities in Ontario.

Re: Bruce Grey Good Charter

West Grey Council passed the following resolution at the February 16, 2021 council meeting:

Whereas the Bruce Grey Food Charter is a guiding document to assist in the development of policies and programs to promote a healthy and just food system in Grey and Bruce Counties;

Whereas the Charter is a commitment to work together to build a vibrant, sustainable, food secure community;

Whereas a sustainable local food system will prioritize health, social justice, education, economic development, the environment, and culture; Whereas community leaders can use a charter to define the food, water, and agriculture goals for Grey Bruce and guide decision-making;

Whereas the Food Security Action Group of the Bruce Grey Poverty Taskforce invites organizations to endorse the Charter;

Therefore be it resolved that West Grey Council accepts and endorses the Bruce Grey Food Charter; that the Organizational Endorsement be signed and submitted to Bruce Grey Poverty Task Force; and that this resolution be circulated to: Bruce and Grey counties and municipalities, MPP Walker, MPP Lisa Thompson, West Grey Public Library, Durham Foodbank, and School boards in Bruce & Grey Counties.

Sincerely,

Dear Ministers,

I am writing to advise that Norfolk County Council supports the attached Norfolk County Agricultural Advisory Board's letter regarding the application of the carbon tax on primary agriculture producers. It is the recommendation of Norfolk County Council that the Federal Government consider the concerns of the agricultural community and move to exempt all primary agriculture producers from current and future carbon taxes. Please find attached the full recommendation.

Thank you for your attention,

The Honourable Marie-Claude Bibeau, MP
Minister of Agriculture and Agri-Food House of Commons

Dear Minister Bibeau

Our agricultural advisory board (AAB) who represents the agricultural sector in Norfolk County, Ontario is very concerned about the federal government's current carbon pricing policies. It is our hope that you consider our concerns and move to exempt all primary agriculture producers from current and future carbon taxes.

Carbon tax remains as a major cost of production for producers in Norfolk County. Although some farm fuel purchases are exempt, it is selective and does not meet the needs of the entire agriculture industry. Currently crop drying, heating/cooling of livestock barns and cooling of perishable commodities are still subject to full carbon taxes.

Currently there are no replacements for fossil fuels in agricultural production. As a result, carbon tax policies are not appropriate for the agricultural sector and only decrease farm margins.

Norfolk County which is known as Ontario's garden is home to one of the country's largest diversity of crop production. In addition to the extensive vegetable, fruit and grain production it boasts some of the highest ecological diverse natural habitats, plants and animals in Canada. There is approximately 25% tree cover in the county which is the highest percentage of forested land in Southwestern Ontario. Norfolk County It is also home to over 10,000 acres of woodlots and wetlands protected under Long Point Conservation Authority. In addition to the natural woodlots and wetlands there is also extensive fruit production with 2000 acres of apples and 1000 acres of sour cherries. A mature orchard can fix upwards of 18 mt of CO₂ annually.

The adoption of production practices to protect the soil and environment are advanced in Norfolk County. There has been a wide implementation of cover cropping, planting green and reduced tillage practices all of which sequester carbon. Additional farming practices of 4R nutrient management coupled with precision technology ensure that appropriate nutrients are applied at the right time, place and rate. In many cases sensitive water sources around ponds and wetlands are planted with buffer strips and soil erosion control measures of grassed waterways and windbreaks are also common practices. ALUS (alternative land use) programs have been embraced across the county, taking unproductive land out of production, and returning it to natural native grass plantings, trees and constructed wetlands. Currently there are 1148 active projects with 189 producers covering 1573 acres in Norfolk County managed under the ALUS program.

The agriculture industry has made great strides to protect the environment and will continue to improve production practices that reduces the carbon footprint in food production.

The AAB board believes that all on farm fuels used in agricultural production should be exempt from carbon tax. This should include natural gas, propane, gas, and diesel. We strongly urge the government to be consistent with a sector wide exemption to current carbon tax policies.

Sincerely,

Dustin Zamecnik
Chair of Norfolk County Agriculture Advisory Board

His Worship Ian C. Boddy
Mayor, City of Owen Sound

iboddy@owensound.ca

Dear Mayor Boddy,

Thank you for your letter of November 20, 2020, regarding improving the safety and well-being of communities in Ontario. As the Solicitor General of Ontario, I am pleased to respond and apologize for the delay.

Public safety is a top priority for this government. The Ministry of the Solicitor General is committed to working with municipal, policing and community partners to provide them with the resources and tools they need to keep Ontario's communities safe and resilient. The ministry also recognizes the important role municipalities play in working collaboratively with police and community partners to ensure the safety and well-being of Ontarians.

In support of this, the ministry has worked with its inter-ministerial, policing, and community partners on a modernized approach to community safety and well-being (CSWB) that addresses local crime and complex social issues on a sustainable basis. In support of this modernized approach, effective January 1, 2019, the ministry introduced new legislative requirements that mandate municipalities to develop and adopt CSWB plans that identify and address local priority risks to safety and well-being, working in partnership with local police services/boards and various other sectors, including health/mental health, education, community/social services and children/youth services. Municipalities are also required to conduct consultations with members of the public including members of racialized groups and of First Nations, Métis and Inuit communities, as well as with the community organizations that represent the interests of these groups.

Through this approach, municipalities will have a leadership role in identifying local priority risks in the community and implementing evidence-based programs and strategies to address these risks before they escalate to a situation of crisis. This type of planning requires taking a more proactive and integrated approach to service delivery by reducing reliance on incident-driven responses and refocusing efforts on the long-term benefits of social development and prevention.

.../2

It also provides police with more support and interaction with their community partners, not only through crisis response, but by developing and implementing programs and strategies that improve the social determinants of health (e.g., mental health, education, housing). As part of the planning process, municipalities are required to consult with members of the public to identify priorities in their communities. Given the current economic climate, it is important to work collaboratively and allocate resources in a balanced manner between law enforcement and community-based prevention initiatives targeted at the root causes of crime.

CSWB planning brings together the entire community to be more actively engaged in preventing and addressing local community safety issues. This type of collaborative and proactive planning can also help ensure that vulnerable populations receive the help they need from the providers best suited to support them, ultimately improving the quality of life for community members.

For your reference, the ministry has developed the [Community Safety and Well-Being Planning Framework: A Shared Commitment in Ontario](#) booklet, which includes the CSWB Planning Framework and a toolkit of practical guidance documents to assist communities as they develop and implement local CSWB plans. The booklet, and other ministry resources, are available [online](#).

I greatly appreciate your continued efforts and support as we move forward on this modernized approach to community safety and well-being together. Through collaboration, we can work to build safer and stronger communities in Ontario.

I hope this information is helpful and thank you again for writing.

Sincerely,

Dear Premier Ford:

RE: Capacity Limits for Restaurants in Stage 2 under the Reopening Ontario Act, 2020

On behalf of the Council of the Corporation of the Township of Lake of Bays, please be advised Council is striving to support their local businesses during this pandemic however, the uncertainty they face day to day as rules change have become overwhelming and onerous to these small businesses and something needs to change. With that said, Council at their last regular meeting on March 2, 2021 had a wholesome discussion regarding the challenges our businesses are facing. The following resolution is a result of those discussions:

"Resolution #8(b)/03/02/21

WHEREAS the Province of Ontario passed O. Reg. 263/20, Rules for Areas in Stage 2 under the Reopening Ontario (A Flexible Response to COVID-19) Act, 2020;

AND WHEREAS Schedule 2, Subsection 1(7) states that the total number of patrons permitted to be seated indoors in the establishment must be limited to the number that can maintain a physical distance of at least two metres from every other person in the establishment, and in any event cannot exceed 10 patrons;

AND WHEREAS restaurants throughout the Province are facing financial hardships due to the COVID-19 pandemic, and the amount of patrons being turned away is impacting the overall experience of the restaurants;

AND WHEREAS many restaurants fluctuate in size and would be able to accommodate more than 10 patrons, while maintaining a physical

distance of at least two metres from every other person in the establishment;

AND WHEREAS the inequity of establishing a capacity limit of no more than 10 patrons for larger restaurants continues to impact the financial viability of the restaurants during this difficult time;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of Township of Lake of Bays hereby requests that the Provincial Government review and reconsider the capacity limits for restaurants across the Province be based on the size of the square footage of the seating area instead of a flat occupancy.

AND FURTHER THAT the concept of introducing capacity limits for other businesses listed in Schedule 2 of O.Reg 263/20 being impacted by the constant uncertainty of their operations during this pandemic including restaurants, personal care services, resorts, camps, fitness and recreational amenities, churches, etc. be considered while in lockdown status.

AND FURTHER THAT this motion be forwarded to the Premier, Doug Ford, Simcoe Muskoka District Health Unit and all Ontario municipalities.”

Council appreciates and thanks you for all your hard work and dedication during these unprecedented times and is hopeful that the above-noted resolution will assist in amending the restrictions set out in the COVID-19 Response Framework.

Subject: Interregional Travel

Dear Municipal Partners,

With the movement of Grey Bruce to the Green Zone within the Provincial Framework, many people from the public, system partners, and other stakeholders have expressed concern of increased interregional travel from areas of high risk to areas of low risk – or from Red to Green Zones.

In response, a media release was issued and disseminated to all partners. We wanted to follow that media release up with a direct communication to municipalities in order to assist with this concern. These are simply suggestions in order to better limit interregional travel at this time.

Currently, travel from region to region or zone to zone is discouraged unless for essential needs, based on Public Health guidance. [COVID-19 and Considerations for Travel \(publichealthgreybruce.on.ca\)](https://publichealthgreybruce.on.ca). Essential reasons for travel include work, school or for medical reasons. Recreational, non-medical, social or leisure related reasons for travel are NOT be considered essential and are discouraged as per the provincial direction.

This has an impact on many sectors. We strongly ask residents of Grey Bruce, especially those who work or attend the following sectors/activities, to double-down on their commitment to the 3 Ws. Wash hands frequently, Watch distance (ideally 6ft), and Wear face covering correctly.

We encourage businesses to consider the following RECOMMENDATIONS (Not Regulations) to assist those concerned with interregional travel:

Personal Service Settings (Barbers, Hair Salons, Spas and more)

- Limit/Avoid accepting appointments for those out of our region
- Delay booking appointments until inter-regional travel resumes
- Supply “colour kits” for out of region clients for pick up or delivery as an alternate to appointments
- Offer curbside and delivery service for good for those out of region.
- **Minor Hockey/Sports (please note, many different sport organizations have slightly different guidelines and rules)**
 - Limit play and practice to only teams within Grey and Bruce Counties. Teams/leagues from the [red \(control\) level or grey \(lockdown\)](#) should not be playing with teams in Grey and Bruce Counties
 - Avoid providing facility rentals to teams from those areas that prohibit team sports.

- Co-ordinate teams to create a league that contains no more than 50 players. The league may only play and practice with members of the same league. An association/league cannot expand leagues/bubbles/cohorts or join another league for additional play or practice if the resultant group has more than 50 players.
- Do not coach or play in more than one league.
- Limit time spend in change rooms. Use change rooms for changing only or arrive dressed for play. Do not use change rooms for socializing, sharing food or beverages, etc.
- Avoid physical contact during play.
- Clean and disinfect your equipment regularly. Do not share sports gear with other players.
- If possible, play outside rather than indoors. Consult your municipality for outdoor facility protocols.

Additional Recommendations:

- Stay home if you have [symptoms](#). If you get tested, and your symptoms have resolved, you must isolate until you received your results.
- Limit carpooling and socializing to those within your household.
- Wear a mask or face covering in a manner that covers your mouth and nose when in an indoor area. For more information and exemptions, please see: [FAQ for Wearing Masks and Face Coverings](#)
- Maintain a two-metre physical distance.
- Practice frequent hand hygiene by using an alcohol-based hand rub or washing your hands with soap and water.
- Avoid Inter-regional travel – except for essential needs.

For basic guidance about the stages, please visit the Health Unit's website: [COVID Response Framework \(publichealthgreybruce.on.ca\)](https://publichealthgreybruce.on.ca)

For more detailed information, we encourage you to visit the provincial website: [COVID-19 response framework: keeping Ontario safe and open | Ontario.ca](#)

Minute Item No. 5.1

Regional Council, at its meeting held on February 25, 2021, approved the following resolution from its Public Health and Social Services Committee:

WHEREAS Niagara Region prides itself as being a caring and compassionate community that continually strives to be a place where people want to live, work and play;

WHEREAS providing access to safe, adequate and affordable housing for everyone is fundamental to achieving that goal;

WHEREAS Niagara Region acknowledges that mental health, mental illness, addiction and homelessness, while important issues, are not homogenous, interchangeable or consistently interconnected, and doing so may over simplify exceptionally complex issues that require targeted policy solutions and intervention;

WHEREAS Niagara Region's 10-year Housing and Homelessness Action Plan (HHAP), A Home For All, outlines the Region's vision, challenges, and the actions required to achieve its goals;

WHEREAS Niagara Region has embarked on an ambitious effort to end chronic homelessness through participation in the national Built for Zero campaign;

WHEREAS Regional Council formally adopted Mental Health and Wellbeing (2.2) and Addressing Affordable Housing Needs (2.3) as strategic priorities for the current term of our Council;

WHEREAS a recent KPMG report commissioned by Niagara Region indicated that Council invests more levy funding than its peers into homelessness, demonstrating a steadfast commitment to addressing the issue;

WHEREAS Niagara Region acknowledges that people living in shelters are part of the crisis and not the solution;

WHEREAS Niagara Region has two planned housing projects that would directly address those in Niagara who experience chronic homelessness;

WHEREAS the implementation plan for Council's strategic objectives states that staff will identify gaps within the mental health system to increase the functionality and collaboration within it;

WHEREAS the same implementation plan directed staff to partner with Ontario Health (formally the LHIN) to review the local landscape to identify opportunities, including new investment;

WHEREAS the treatment and supports for mental illness, addiction, and homelessness are predominantly funded and directed by the Province;

WHEREAS the success of the Region's Housing and Homelessness Action Plan is dependent on a commitment of sustained and increased funding (both operational and capital) from all levels of government to address the issues of housing insecurity and homelessness in Niagara; and

WHEREAS the needs of the community far outweigh Niagara Region's available resources and funding required to effectively address these issues, and the support of both the Provincial and Federal governments are needed to meet these needs.

NOW THEREFORE BE IT RESOLVED THAT:

1. That Niagara Region Council officially **ACKNOWLEDGE** that a significant crisis exists in Niagara in regard to the prevalence of chronic homelessness and the lack of affordable housing that far surpasses the Region's ability to meet the vision dictated in its 10-year Housing and Homelessness Action Plan (HHAP);
2. That the Regional Chair **BE DIRECTED** to send advocacy letters directly to the appropriate Federal and Provincial ministries outlining Niagara's current situation and requesting additional funding be provided to ensure Niagara can meet the vision outlined in its housing action plan;
3. That the Regional Chair **BE DIRECTED** to advocate to the Minister of Municipal Affairs and Housing and the Minister of Families, Children and Social Development for the required operational funding for the planned supportive and bridge housing initiatives;
4. That Regional staff **BE DIRECTED**, in alignment with the planned review of Council's strategic priorities, to produce a report specifically highlighting the progress being made and critical gaps in regard to services related to mental health, addictions and wellbeing;
5. That Regional staff **BE DIRECTED** to continue providing Regional Council updates on the HHAP and Built for Zero initiatives;
6. That Regional staff **BE DIRECTED** to request an update from the Overdose Prevention and Education Network of Niagara (OPENN) regarding the current status of the actions being taken to address addiction related issues in Niagara; and

7. That a copy of this motion be sent to all members of the Association of Municipalities of Ontario (AMO).

CL 4-2021, February 25, 2021***DISTRIBUTION LIST******SENT ELECTRONICALLY*****Re: Schedule 6, Bill 197, COVID-19 Economic Recovery Act, 2020**

Regional Council, at its meeting held on February 25, 2021, passed the following resolution:

WHEREAS Schedule 6 of Bill 197, COVID-19 Economic Recovery Act, 2020 considers amendments to the Environmental Assessment Act relating to municipal autonomy and the principle that municipalities can veto a development outside their municipal boundary in an adjacent municipality;

WHEREAS Bill 197 empowers multiple municipalities to 'veto' development of a landfilling site within a 3.5 km zone inside the boundary of an adjacent municipality;

WHEREAS Bill 197 establishes a dangerous precedent that could be expanded to other types of development;

WHEREAS Bill 197 compromises municipal autonomy and the authority of municipal councils to make informed decisions in the best interest of their communities and municipal taxpayers; and

WHEREAS amendments in Schedule 6 could cause conflict in the effective management of landfill sites, put significant pressure on existing landfill capacity, and threaten the economic activity associated with these sites.

NOW THEREFORE BE IT RESOLVED:

1. That while the Region of Niagara supports the Act's open-for-business approach, the municipality **CALLS** upon the Government of Ontario (Ministry of the Environment, Conservation & Parks (MOECP) to amend Bill 197, COVID-19 Economic Recovery Act, 2020, to eliminate the development approval requirement provisions from adjacent municipalities and that the 'host'

municipality be empowered to render final approval for landfills within their jurisdiction;

2. That a copy of this motion **BE FORWARDED** to Premier Doug Ford, Jeff Yurek, Minister of Environment, Conservation and Parks, Steve Clark, Minister of Municipal Affairs and Housing, local M.P.P.s., and the Association of Municipalities Ontario (AMO) and;

3. That a copy of this resolution **BE FORWARDED** to all Ontario municipalities with a request for supporting motions to be passed by respective Councils and copies of the supporting motion be forwarded to Premier Doug Ford, Jeff Yurek, Minister of Environment, Conservation and Parks, Steve Clark, Minister of Municipal Affairs and Housing, local Members of Provincial Parliament, and the Association of Municipalities Ontario (AMO).

In accordance with the resolution, it is respectfully requested that your municipality consider passing a supporting resolution to be forwarded to Premier Doug Ford, Jeff Yurek, Minister of Environment, Conservation and Parks, Steve Clark, Minister of Municipal Affairs and Housing, local Members of Provincial Parliament, and the Association of Municipalities Ontario (AMO).

Dear Premier Ford,

Re: Colour Coded Capacity Limits

At its meeting held on March 1, 2021, Sarnia City Council discussed the challenges local businesses are facing with respect to the colour coded system within the Province's COVID-19 Response Framework. The following motion was adopted:

That Sarnia City Council strongly advocate to the Province of Ontario that they adjust the capacity limits for dining, restaurants, sporting and recreational facilities, places of worship, event centers, and all retail/small businesses as part of the colour coded system.

The following rationale was provided with the introduction of the motion:

- The red zone currently only allows 10 people indoors at a dining or a sporting / recreational facility (regardless of the size), places of worship are capped at 30% or 50 people, and retail / small business is limited to a 50% capacity.
- These businesses and organizations have heavily invested in facility improvements and expensive upgrades to ensure safe social distancing and have all the appropriate safety and protection measures in place.
- Businesses in particular cannot properly plan under the current uncertainty and that means the loss of jobs and income for both workers and owners as well as mental health challenges.

- Indoor capacity limits for restaurants, dining, sporting / recreational facilities, event centers, retail / small business, and places of worship should not involve arbitrary numbers (regardless of size), but instead be changed to the amount of people per facility which ensures that strict and safe social distancing can be maintained.

Sarnia City Council has requested that all municipalities in Ontario join this advocacy effort.

On behalf of Sarnia City Council, I look forward to your reply.
