

## Snapshot of Strategic Plan Dashboard

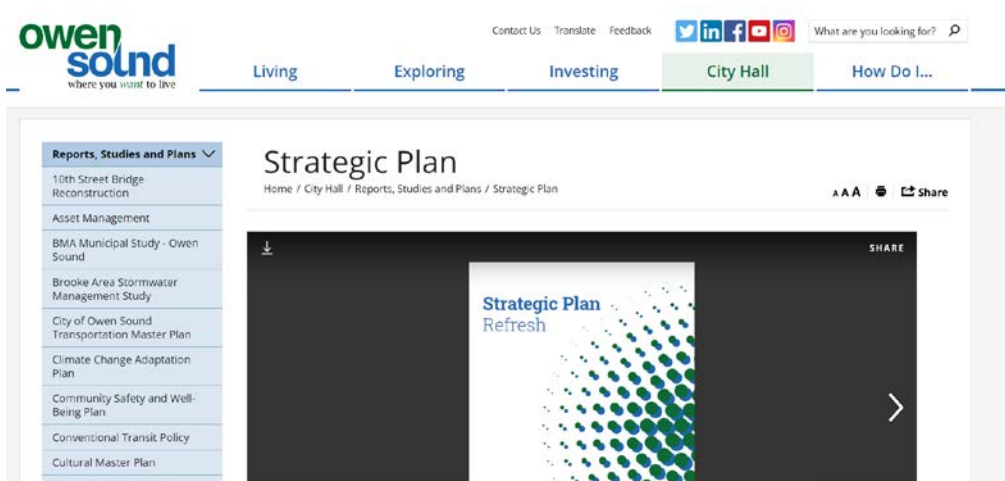

**Strategic Plan Dashboard Hub**

Each of the graphics below links to a dashboard featuring measures that track progress on Council's strategic priorities. Overall, the Strategic Plan is proceeding as anticipated, despite the challenges presented by the COVID-19 pandemic.

Within each Key Result, there is a listing of actions (planned and completed) that support the advancement of Council's priorities.

Icon	Key Result	Description	Action
	Prosperous City	Working towards a positive business environment and support initiatives that increases...	<a href="#">Explore</a>
	Green City	Enhancing the City's resiliency and capacity for mitigating and adapting to the impacts of...	<a href="#">Explore</a>
	A City that Grows	Achieving the population target for Owen Sound as set out in the Grey County Growth...	<a href="#">Explore</a>
	A City that Moves	Facilitating sustainable transportation options and create community connectivity.	<a href="#">Explore</a>
