Pat Kelly
Glassworks Cooperative Village
Owen Sound, ON
Pk@patkelly.co

Dear Pat Kelly,

BWXT Canada Ltd. (BWXT) sincerely appreciates Glassworks Cooperative Villages' efforts to find affordable and adaptable housing solutions for current and future residents of Owen Sound with their cooperative housing and eco-village. BWXT also appreciates the fulsome presentation and discussion it received on the proposed housing project.

While BWXT has no specific opinions regarding the proposed location of the cooperative housing village, we recognize the importance of addressing the current housing shortage that the area is experiencing. Further to that, BWXT would be a cooperative and supportive neighbor should the village be established in proximity to its operations in Owen Sound.

Owen Sound is a dynamic city with much to offer its residents and visitors. We wish Glassworks Cooperative Village all the very best with their housing development project.

Sincerely,

A handwritten signature in black ink, appearing to read "N Cutler", with a stylized, flowing script.
