Strategic Plan Alignment:

This report supports the delivery of Core Service.

Previous Report/Authority:

[Lottery Licensing By-law No. 1994-079](#) – section 5.2

Background:

On October 27, 2022, staff received a raffle lottery application from the Sydenham Sportsmen's Association for their annual boat and recreation draws.

In accordance with the City's Lottery Licensing By-law No. 1994-079, all raffle lottery licence applications with total prize values exceeding \$10K are to be placed before Council for consideration. Such applications shall be accompanied by security covering the total amount of the prize value in the form of a certified cheque, cash, or letter of credit from a chartered bank.

Analysis:

In order to be eligible to receive a licence, the Sydenham Sportsmen's Association must have certain documentation up to date as required by the Alcohol and Gaming Commission of Ontario (AGCO). Staff note that all documents required for licencing have been received and all licensing requirements have been met.

The Sydenham Sportsmen's Association also provided the required securities with their application as required by the Lotter Licensing By-law.

It is staff's recommendation that Council approve the raffle licence application so that the Licensing and Marriage Co-ordinator can issue the licence.

Financial Implications:

The City will receive a lottery licence fee of \$1,434.19 which is based on 3% of the prize value of the draw as required by the AGCO.

Communication Strategy:

The Sydenham Sportsmen's Association will be notified of Council's decision.
