**“Stand Up, Stand Together” January is Crime Stoppers Awareness Month.**

Crime Stoppers of Grey Bruce joins hands with our partners globally to celebrate the community collaboration between the Public, Media, and the Police. The Crime Stoppers program provides concerned citizens with an anonymous channel to report criminal activity. Remember: community safety is a shared responsibility.

Crime Stopper’s success is reflected in the numbers. In Grey and Bruce Counties police were supplied with approximately 600 tips from Crime Stoppers in the last year. These tips resulted in the recovery of over \$150,000 of stolen property; the seizure of over \$500,000 worth of drugs and proceeds; the arrests of more than 30 people and a total of 145 charges laid. Since our inception in 1987 Crime Stoppers of Grey Bruce’s tips have led to the seizure or recovery of almost 55 MILLION DOLLARS in drugs, cash, and property!

**What is Crime Stoppers?**

Crime Stoppers is a community-based program that allows residents to provide anonymous information about criminal activity. Crime Stoppers is overseen by a volunteer Board that is passionate about making a difference in their community. As a registered charity Crime Stoppers relies on the generosity of community donors to fund our program.

Tips are received anonymously from “Tipsters” contacting Crime Stoppers. All tips are shared with police and other investigative agencies to be followed up on. Crime Stoppers works diligently to shield the identity of the Tipsters. If tip information is accurate and leads to an arrest or the recovery of drugs or stolen property, the Tipster may be eligible for a cash reward up to \$2,000.

Crime Stoppers is best used for community members who do not wish to be identified, or to appear in court. “Tipsters” may have information about crime, and Crime Stoppers offers them an alternate resource to contacting police.

Crime Stoppers is not for emergency response. We encourage the community to call 911 to report crimes, suspicious persons, or activities in progress.

You can report tips to Crime Stoppers by: Calling 1-800-222-8477 (TIPS); Downloading the free P3 Tips mobile app; or making an online “Web-Tip” at [www.cstip.ca](http://www.cstip.ca).

**Make a Difference in your Community:**

“Stand Up, Stand Together” is our theme for Crime Stoppers Month this year. Often people are hesitant to come forward because of many reasons. By providing anonymity and removing the burden of testifying in court, Crime Stoppers makes it easier and safer to help the police make a difference in your community. By standing up and standing together, taking the time to report information we can be part of the solution.

Crime Stoppers is looking for self-motivated, committed members to represent the communities of Grey and Bruce Counties on the Board of Directors or as volunteers for fundraising events and community awareness initiatives.

Ontario and Superior Courts of Justice are now hearing more matters with the public, court staff and judiciary in the courtroom. Prisoners are not transported to the courthouse unless they are attending for their trial, Counsel/Judiciary/Crown Attorney has requested an in-person attendance or the correctional facility is unable to accommodate them appearing virtually due to video booth scheduling. All other prisoners are still being done by audio/video from the police services or the correctional facilities.

Special Constables have been assigned at the police station to cover in custody hearings. When not required for prisoners in custody members have assisted to perform other duties.

Due to weather conditions and road closures one custody was required to stay at the Owen Sound Police Service cells for two nights as OPP Offender Transport were unable to transport back to Central North Correctional Centre.

## **Report to the Board: 2022 Public Complaints**

*From: Inspector D. Bishop*

*Date: Tuesday, January 17, 2023*

-----

Public complaints against police are governed under the provisions of Part V of the Police Services Act. Any member of the public may make a complaint about the policies or service of a police service or the conduct of a police officer. The Office of the Independent Police Review Director (OIPRD) receives, manages and oversees all complaints against police in Ontario. Upon receiving a complaint, the OIPRD can elect to: Conduct an investigation, screen the complaint out as being not in the public interest to proceed, direct an investigation to be conducted by the police service of the respondent officers or direct an investigation to be conducted by another police service.

In 2022, a total of 11 complaints were initially received by the OIPRD. This compares to 12 received in 2021. 10 of the complaints were in relation to officer conduct with one deemed to be in relation to services provided by the OSPS.

Two of our complainants filed more than one complaint each, 11 complaints were filed by 8 individual complainants.

The single service complaint was investigated and deemed unsubstantiated.

Of the 10 officer conduct complaints, two were screened out by the OIPRD who deemed them to be not in the public interest to investigate. One was screened out by the OIPRD as it related to an ongoing criminal proceeding. Another was closed when it was deemed to not be about the conduct of a police officer.

Of the remaining six conduct complaints, one was resolved through the early resolution process to the satisfaction of the complainant and the involved officer. Another was investigated and deemed unsubstantiated. The complainant requested a review of the decision by the OIPRD and the decision of the Chief was upheld.

Four 2022 conduct complaints remain under investigation, and are not resolved as of this date.

Of note, two of our civilian members were designated as civilian witnesses for an OIPRD complaint directed against the West Grey Police Service. Directors Hill and Bell-Matheson were interviewed by the OIPRD in relation to the WGPS case in order to answer questions related to Communications and Information Technology as a result of our contracts with WGPS to provide those services.

Finally, in December of 2022 our Service received notice of an application filed with the Human Rights Tribunal of Ontario. The Service was named as one of several defendants in the application that alleged that an Owen Sound man's rights were violated during a call attended by the police in 2020. A response to that application has been filed and we await further information.

## **Report to the Board: 2022 Special Investigations Unit**

*From: Inspector D. Bishop*

*Date: Tuesday, January 17<sup>th</sup>, 2023*

-----

In 2022, the Owen Sound Police Service had four incidents which required notification of the Special Investigations Unit in accordance with the provisions of Ontario Regulation 673/98 made under the Police Services Act.

On one occasion in April, 2022 the SIU were contacted for an incident involving a female who alleged to have received an injury from a prior interaction with the Owen Sound Police. The SIU initially invoked their mandate to investigate but later withdrew when they were unable to confirm that the injury occurred with the complainant.

In one instance in July of 2022, a male prisoner ingested drugs which had been concealed on his person and was taken to hospital for overdose symptoms. The SIU investigated this matter and in November of 2022 wrote to Chief Ambrose to advise that there were no reasonable grounds for criminal charges.

On another occasion in September of 2022, the SIU were notified when a male prisoner passed away shortly after being released from custody. The SIU were notified and invoked and investigated. The SIU has yet to notify us of their decision in this case. The Service is prohibited under the Ontario Special Investigations Unit Act from providing any further comment or detail on the matter.

On another occasion in December of 2022 a male party received an injury during his arrest that resulted in the SIU being notified and they chose to invoke and investigate. To date no decision has been received from the SIU. Again, the Service is prohibited under the Ontario Special Investigations Unit Act from providing any further comment or detail on the matter.

Also during 2022, the Owen Sound Police Service assisted the Hanover Police Service regarding a Special Investigations Unit investigation of a member of that Service. A constable with the Hanover Police Service had been investigated by the SIU and charged criminally related to an allegation of a historic sexual assault. The constable was later acquitted by the Courts following a trial.

Section 32(1) of Ontario Regulation 268/10 to the Police Services Act creates a legislative requirement for the Chief of Police to promptly cause an investigation to be conducted into any incident involving a police officer in the Chief's police force that becomes the subject of an investigation by the SIU Director under Sec. 15 of the Special Investigations Unit Act. The purpose of the investigation is to review the policies of or services provided by the police force and the conduct of its police officers. The results of this investigation must be reported to the Board by the Chief.

Chief Knoll requested that the Owen Sound Police Service conduct this investigation on Hanover's behalf. Inspector Bishop completed that investigation and tendered a report on the matter to Chief Knoll.
