

Summary of Recommended Fee Changes – C. Parking and By-law Enforcement

Service or Activity	Existing Fee	Proposed Fee	Rationale, Research and Additional Information
Off-street Parking Licence	\$100.00	\$200.00	Currently this fee is \$100.00 for a two-year licence. However, staff resources preclude re invoicing every two years. The fee is recommended to become \$200.00 per licence with a renewal required at every change of ownership to ensure the parking site has remained the same as that which was approved.
