Location: Atrium East

Present: Michelle Palmer, Joachim Ostertag, Mary Anne Alton, Liz Zetlin, John Anderson,

Agenda:

1. Survey Feedback

- Reviewed feedback received through survey which closed May 28
- 60 responses

2. Next Steps:

Project team to review feedback received from the survey with the intent to:

- Separate out responses related to corporate versus community
 - Forward community-related responses to Grey County for development into communication and engagement
- Use feedback specific to the question asked which related to community actions

Recommendations to add to plan:

- Energy consumption by sub-sector charts
- Inclusion of business-as-usual charts
- Identification of cost savings; potential to prorate from grey County community plan (page 73); need to identify/confirm savings for each of the proposed actions within the corporate plan
- Action specific to Nature Based Solutions

3. Engagement / Communication:

- Share summary of proposed changes with CATOS
- Update on OurCity with summary of proposed changes
