Purpose of the Event or Occasion *

September 25 is the anniversary of the raising of the Franco-Ontarian flag. The flag was raised for the first time on September 25, 1975 at the University of Sudbury. They used a trillium flower to represent Ontario, a fleur-de-lys to represent the French language, the color green to represent summer and white to represent winter. The flag became the official symbol of the province in 2001.

Details of the Event or Occasion *

We will arrange bus transportation for all of the students in our school from kindergarten to grade 12, to come to city hall and watch the flag raising. We will have songs and a prayer prepared for the students to participate in. The ceremony will take approximately half an hour with all of our planned items.

Description of your Organization or Individual including a Brief History and any Other Relevant Information *
