**Subject:** Licence C9907106 Amendment 6 - Maintaining Pedestrian Bridge

Hi Pam,

I hope you're well and enjoying the summer.

We have prepared the attached amendment to Licence C0307108 for your review. The licence is for a term of three years from September 1, 2022 – August 31, 2025, and we have applied a CPI increase to each year of the agreement. The sketch has been updated and is attached here as Schedule 'A'.

We've also made the following changes for consistency with Transport Canada's other agreements:

Article 1(2) and 1(3) are deleted and replaced with 1(2) '**Cancellation Privileges**'

Article 7(7) is deleted and replaced with 7(7) '**Limitations on Licensor's Liability**'

Let me know if you have any questions about the terms of this agreement. If not, please have an authorized representative of the City sign and return the agreement. We'll then send a fully executed copy for your records.

Thank you,

**Hugh Shaftoe**
