Encl. Staff Report CR-24-117 Re: Process to Amend the River District Constitution

Staff Report

Report To: City Council
Report From: Allison Penner, Deputy Clerk
Meeting Date: October 21, 2024
Report Code: CR-24-117
Subject: Process to Amend the River District Constitution

Recommendations:

THAT in consideration of Staff Report CR-24-117 respecting the process to amend the River District Constitution, City Council directs staff to provide correspondence to the River District Board of Management requesting their endorsement of amending the Constitution to reduce the number of City Council members appointed to the Board from two to one and to add one additional public member.

Highlights:

- City Council directed staff to provide a report outlining the steps necessary to reduce the number of members of City Council appointed to the River District Board of Management from 2 to 1.
- Staff recommend that City Council seek feedback and endorsement from the River District Board of Management prior to amending the Constitution.

Strategic Plan Alignment:

[Strategic Plan](#) Priority: Collaborative City.

Reducing the number of members of City Council appointed as Directors of the River District Board of Management while maintaining the overall number of Directors will increase the number of public members, thereby increasing opportunities for public input.

Climate and Environmental Implications:

There are no anticipated climate or environmental impacts.

Previous Report/Authority:

[The Municipal Act, 2001](#)

[Report CR-22-038 River District Board Name Change and Draft Constitution](#)

By-law No. 2022-061, Adoption of the River District Constitution

Background:

The River District Board of Management (RDBM) is a local board of the City of Owen Sound, per section 204(2.1) of the *Municipal Act, 2001*. Section 11(2) of the *Municipal Act, 2001* gives the City authority to pass by-laws respecting the governance structure of its local boards.

On June 13, 2022, City Council approved By-law No. 2022-061 to rename the Owen Sound Downtown Improvement Area to the River District and to adopt a Constitution to govern the affairs of the River District members and Board of Management.

The River District Constitution states that the Board shall consist of 9 Directors; 2 members of Council appointed by City Council and 7 Directors selected by a vote of the members of the River District. Election of Directors occurs every four years, with the next election scheduled in 2026. A person is entitled to be a Director if they are at least 18 years of age and are either:

1. the owner or tenant of land in the City; or
2. an employee of a corporation operating in the River District.

On October 7, 2024, City Council passed Resolution Number R-241007-005 directing staff to "bring forward a report on October 21, 2024, to outline the process for amending the River District Board of Management Constitution to reduce the number of appointed Council members from 2 to 1."

Analysis:

To reduce the number of members of City Council appointed to the River District Board of Management from 2 to 1 and add an additional public member, the River District Constitution will need to be amended.

Process to Amend the Constitution

Should City Council approve the recommendation outlined in this report, staff suggest that the following process be followed to amend the Constitution:

1. Staff submit correspondence for the November 13, 2024, RDBM meeting agenda requesting endorsement of an amendment to the Constitution.
2. At its meeting on November 13, 2024, the RDBM may choose to endorse the draft amendment to the Constitution, with or without making suggestions for additional changes.
3. Staff provide correspondence from the RDBM to City Council, outlining the decision of the RDBM and, if the draft amendment is endorsed by the RDBM, request direction to bring forward a by-law to amend By-law No. 2022-061 and to include any related changes in the 2025 Board and Committee By-law. The By-laws will come into force and effect on February 1, 2025.

If followed, this process would result in a vacancy on the RDBM as a result of the 1 additional public member position being added. Staff will advertise for this vacancy in accordance with the River District Constitution. The term of the new public member will begin at the time of their appointment and expire on November 14, 2026.

The two members of City Council currently serving on the RDBM will continue to serve in these roles until January 31, 2025. From February 1, 2025 onward, there will be one remaining RDBM Director position allocated to a member of City Council. In keeping with [Policy GOV001](#), one City Council member will have the opportunity to select a Director position on the RDBM Council during the annual Board and Committee Selection Process in December 2024, for a term beginning February 1, 2025.

Considerations in Amending the Constitution

In the 2022 election of Directors to the RDBM, 7 candidates put their names forward for 7 available positions; all candidates were acclaimed. Increasing the number Directors elected by members of the River District increases the risk that fewer individuals put their names forward as candidates than there are available positions resulting in unfilled Director positions on the Board.

If the RDBM does not wish to endorse the draft amendment to the Constitution, staff would recommend that the RDBM provide correspondence to that effect to City Council. While City Council has the authority to

unilaterally amend the Constitution, negotiating mutual agreement with the RDBM is desirable to maintain the strong working relationship between City Council and the RDBM.

Financial Implications:

There are no anticipated financial implications.

Communication Strategy:

The draft amendment to the RDBM Constitution will appear on the agenda of the November meeting of the RDBM and staff will report back on the direction received from the RDBM.

Consultation:
