Subject: Cobble Beach Concours d'Elegance – 2024 Report - Citroënvie!

Hi Aidan,

Hope you are doing well!

It was great to see you at the Concours reception at the gallery. Sorry we didn't get much of a chance to talk and could see you were very busy. I was hoping to see you at Cars & Coffee or the Concours. Thought I would share this article by George Dyke, president of the Citroen Club. He mentions you in the third paragraph.
