## CITY OF OWEN SOUND

Audit final communication to the Corporate Services Committee for the year ended December 31, 2023

Tel: 519 376 6110 Fax: 519 376 4741 www.bdo.ca BDO Canada LLP 1717 2<sup>nd</sup> Avenue E, 3<sup>rd</sup> Floor PO Box 397 Owen Sound ON N4K 5P7 Canada

## To the Corporate Services Committee of City of Owen Sound

We are pleased to provide you with the results of our audit of City of Owen Sound (the "City") financial statements for the year ended December 31, 2023.

The enclosed final communication includes our approach to your audit, including: significant risks identified and the nature, extent, and results of our audit work. We also report any significant internal control deficiencies (if any) identified during our audit and reconfirm our independence.

During the course of our audit, management made certain representations to us, in discussions and in writing. We documented these representations in the audit working papers.

We look forward to discussing our audit conclusions with you. In the meantime, please feel free to contact us if you have any questions or concerns.

Yours truly,

### BDO Canada LLP

APPENDIX C: REPRESENTATION LETTER

APPENDIX D: OUR AUDIT PROCESS

APPENDIX E: RESOURCES

#### **AUDIT AT A GLANCE**

#### Status of the Audit

We have substantially completed our audit of the year ended December 31, 2023 financial statements pending the completion of the following items:

- Approval of financial statements by the Committee
- Receipt of signed management representation letter dated as of the final report date
- Subsequent events review through to financial statement approval date

We conducted our audit in accordance with Canadian generally accepted auditing standards. The objective of our audit was to obtain reasonable, not absolute, assurance about whether the financial statements are free from material misstatement. See Appendix A for our draft independent auditor's report.

The scope of the work performed was substantially the same as that described in our Planning Communication to the Corporate Services Committee dated August 22, 2024.

#### Independence

We have identified relationships between City of Owen Sound and our Firm that may reasonably be thought to have influenced our independence. These are further discussed in Appendix B.

#### Materiality

Preliminary materiality was \$1,900,000. Final materiality remained unchanged from our preliminary assessment.

#### Fraud Discussion

We are not aware of any fraud affecting the City. If you have become aware of changes to processes or are aware of any instances of actual, suspected or alleged fraud since our discussions held at planning, please let us know.

#### **AUDIT FINDINGS**

Our audit strategy and procedures focused on the risks specific to your City and key accounts as outlined in our planning communication to the Corporate Services Committee. There were no changes to our planning procedures. No additional risks were identified during the audit.

Significant Risks of Material Misstatement	Audit Findings
Management Override of Control	To address this risk, we developed criteria for unusual journal entries, determined the population of unusual journal entries and obtained corroborating evidence of these journal entries from management as to why the journal entries were made. No inappropriate journal entries were noted. No management override of controls noted in the current period.
Revenue Recognition of Grant Revenue	To address this risk, we reconciled significant government transfers to their various government funding agreements and letters, reviewed funding agreements for deferred grants and reviewed minutes to ensure grant revenue listed was complete. No issues were noted in regard to grant revenue during our testing.
Payroll	To address this risk we reviewed the salaries of those employees who are authorized to change pay rates. No issues were noted in regards to payroll during our testing.

As part of our ongoing communications with you, we are required to have a discussion on our views about significant qualitative aspects of the City's accounting practices, including accounting policies, accounting estimates and financial statement disclosures. A summary of the key discussion points are as follows:

Significant Financial Statement Disclosures	Audit Findings
Accumulated Surplus	A breakdown of the City's accumulated surplus is included in Note 9. This includes the amount invested in capital assets, unfunded liabilities, reserves and reserve funds. The general surplus for 2023 was transferred to reserve as noted in Note 11.
Contingencies/Litigation Proceedings	We have discussed with management and they have indicated there are outstanding claims against the City. We will also be communicating with the City's legal counsel. These claims are disclosed in Note 21.
Commitments	Significant capital commitments are disclosed in Note 20.
Financial Instruments	We have discussed with management to ensure all financial instruments were identified and reviewed management's accounting policy to ensure they are appropriately recorded at amortized cost or fair market value, where applicable. See the Significant Accounting Policy for Financial Instruments and further disclosures in Note 22.

Management is responsible for determining the significant accounting policies. Significant accounting policies have been disclosed in the financial statements. The choice between accounting policy alternatives can have a significant effect on the financial position and results of the City. The application of those policies often involves significant estimates and judgments by management. Based on the audit work that we have performed, it is our opinion that the estimates are in accordance with the requirements of Canadian public sector accounting standards and have been consistently applied.

Significant Estimates and Judgements	Audit Findings
Taxation Revenue Estimate	In accordance with PS 3510, amounts have been estimated for taxable events that have occurred but have not yet been assessed. The estimate was based on trend analysis by year for supplemental taxation billings and write-offs for the last 3 years; examination of building permits issued in the last two years; and knowledge of potential reassessments.
Post-Employment Benefits	The City provides post-employment health and life insurance benefits to eligible retired employees. The benefits earned by employees are determined using management's best estimate of expected benefit costs and are expensed as services are rendered. In order to help estimate the liability for post-employment benefits, the City engaged the services of an actuary.
Unfinanced Capital	The City has \$11,630,432 in unfinanced capital projects as of December 31, 2023. We recommend that the plan to finance these assets be reviewed on a regular basis to determine if any adjustments are appropriate.

Significant and Judgem	Estimates ents	Audit Findings
Asset Obligations	Retirement	Management reviewed all capital assets owned by the City or where the City has a responsibility for an asset to determine if there is a legal obligation associated with the retirement of any of the capital assets.
		Management identified an asset retirement obligation. In order to help identify and estimate the liability, the City engaged the services of consultants to perform an assessment of designated substances, review of applicable legislation and the services of engineers and other professionals to estimate the abatement, removal and remediation costs.

#### INTERNAL CONTROL MATTERS

During the course of our audit, we performed the following procedures with respect to the City's internal control environment:

- Documented operating systems to assess the design and implementation of control activities that were relevant to the audit.
- Discussed and considered potential audit risks with management.
- ▶ We considered the results of these procedures in determining the extent and nature of substantive audit testing required.

We are required to report to you in writing, significant deficiencies in internal control that we have identified during the audit (if any). A significant deficiency is defined as a deficiency or combination of deficiencies in internal control that, in the auditor's professional judgment, is of sufficient importance to merit the attention of those charged with governance.

The audit expresses an opinion on the City's financial statements. As a result, it does not cover every aspect of internal control - only those relevant to preparing the financial statements and designing appropriate audit procedures. This work was not for the purpose of expressing an opinion on the effectiveness of internal control.

During the audit we did not find any deficiencies in the design and implementation of the internal controls that were tested during the audit.

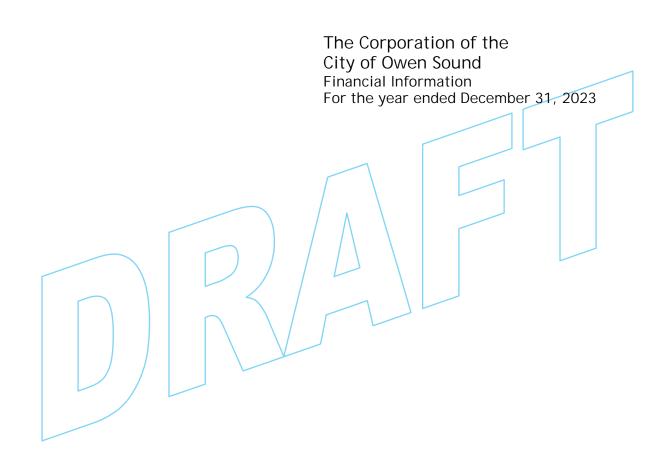

#### ADJUSTED AND UNADJUSTED DIFFERENCES

We are required to disclose, in writing, all significant adjusted and unadjusted differences and disclosure omissions identified through the course of our audit engagement. Each of these items, (if any), are discussed with management and we encourage management to correct any misstatements identified throughout the audit process. Adjusted differences are included in the representation letter in Appendix C that will be approved by management.

Management has determined that the unadjusted differences are immaterial both individually and in aggregate to the financial statements taken as a whole. Should the Board of Directors agree with this assessment, we do not propose further adjustments. For purposes of our discussion, a summary of unadjusted differences is as follows:

				Proposed Adjustments			
	Identified	Projections of Identified			Liabilities	Opening R/E	
Description of Misstatement	Misstatements	Misstatements	Estimates	Assets Dr(Cr)	Dr(Cr)	Dr(Cr)	Income Dr(Cr)

#### Independent Auditor's Report

To the Members of Council of the Corporation of the City of Owen Sound

#### Opinion

We have audited the consolidated financial statements of the Corporation of the City of Owen Sound ("the City"), which comprise the consolidated statement of financial position as at December 31, 2023, and the consolidated statements of operations and accumulated surplus, changes in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2023, and its consolidated results of operations, its consolidated changes in net debt, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated **Financial Statements** 

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the
  entities or business activities within the City to express an opinion on the consolidated
  financial statements. We are responsible for the direction, supervision and performance of
  the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### The Corporation of the City of Owen Sound Summary of Significant Accounting Policies

#### December 31, 2023

Management Responsibility

The management of the Corporation of the City of Owen Sound has prepared and is responsible for the integrity, objectivity and accuracy of the financial information presented in these consolidated financial statements. The Corporate Services Committee reviews and approves the consolidated financial statements before they are submitted to Council.

Basis of Accounting

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of Chartered Professional Accountants of Canada as prescribed by the Ontario Ministry of Municipal Affairs and Housing.

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

The consolidated statements reflect the assets, liabilities, revenues and expenses of all municipal organizations, committees, and boards which are owned or controlled by Council. All interfund assets and liabilities and revenues and expenses have been eliminated on consolidation.

The following boards controlled by Council have been consolidated:

Owen Sound and North Grey Union Public Library

Owen Sound River District

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future. Estimates are used when accounting for items such as accrued grant receivables, accrued liabilities, useful lives of capital assets, post-employment benefits liability, asset retirement obligation liability and taxes receivable.

Basis of Consolidation

Use of Estimates

#### December 31, 2023

#### Revenue Recognition

Revenues are recognized as follows:

- a) Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectible amounts.
- b) Fines and donations are recognized when collected.

Fees, user charges and other revenues are recorded upon sale of goods or provision of service when collection is reasonably assured.

- Investment income earned on surplus funds (other than obligatory reserve funds) are reported as revenue in the period earned. Investment income earned on obligatory reserve funds is recorded directly to each fund balance and forms part of the respective deferred revenue balances.
- e) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the consolidated statement of operations as the stipulation liabilities are settled.
- f) Revenue restricted by legislation, regulation or agreement and not available for general municipal purposes is reported as deferred revenue on the consolidated statement of financial position. The revenue is reported on the consolidated statement of operations in the year in which it is used for the specified purpose.

#### The Corporation of the City of Owen Sound Summary of Significant Accounting Policies

#### December 31, 2023

#### Financial Instruments

Cash is measured at fair value. All other financial assets; investments, taxes receivable, trade and other receivables, loans receivable, accounts payable and accrued liabilities and long-term liabilities are measured at amortized cost.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

All financial assets except derivatives are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.

Transaction costs are added to the carrying value for financial instruments measured using cost or amortized cost.

#### Inventory

Inventory of goods held for resale is recorded at the lower of cost and net realizable value. Cost is determined on the average cost basis.

Inventory held for consumption is recorded at the lower of cost and replacement cost.

Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Amortization is provided over the estimated useful life of the assets using the straight-line method. The useful life of the assets is based on estimates made by management. The following useful lives are used:

Land improvements	40 - 75 years
Buildings and structures	15 - 40 years
Vehicles, machinery and equipment	3 - 20 years
Roads and sidewalks	10 - 80 years
Bridges and other structures	40 - 80 years
Water and sewer infrastructure	40 - 90 years

Tangible capital assets received as contributions are recorded at fair value at the date of receipt.

#### The Corporation of the City of Owen Sound Summary of Significant Accounting Policies

#### December 31, 2023

**Intangible Assets** 

Intangible assets, art and historic treasures are not recognized in these financial statements.

Post-Employment Benefits

The municipality provides post-employment health, dental, life insurance benefits and other benefits to eligible retired employees. The benefits earned by employees are determined using management's best estimate of expected benefit costs and are expensed as services are rendered.

Previously the municipality was an employer included under Schedule II of the Workplace Safety and Insurance Act. It self-insured the entire risk of its own WSIB claims and was individually liable for reimbursing the WSIB for all costs relating to its workers' WSIB claims. The municipality is still liable for claims relating to Schedule II employer status. The cost of the claims are determined using management's best estimate.

The contributions to the Ontario Municipal Employers Retirement System ("OMERS"), a multi-employer defined benefit plan, are expensed when contributions are due.

Asset Retirement Obligations

A liability for an asset retirement obligation is recognized when there is a legal obligation to incur retirement costs in relation to a tangible capital asset; the past transaction or event giving rise to the liability has occurred; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability is recorded at an amount that is the best estimate of the expenditure required to retire a tangible capital asset at the financial statement date. This liability is subsequently reviewed at each financial reporting date and adjusted for the passage of time and for any revisions to the timing. amount required to settle the obligation or the discount rate. Upon the initial measurement of an asset retirement obligation, a corresponding asset retirement cost is added to the carrying value of the related tangible capital asset if it is still in productive use. This cost is amortized over the useful life of the tangible capital asset. If the related tangible capital asset is unrecognized or no longer in productive use, the asset retirement costs are expensed.

#### The Corporation of the City of Owen Sound Summary of Significant Accounting Policies

#### December 31, 2023

Liability for Contaminated Sites A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. Management is not aware of any contaminated sites for which a liability needs to be recognized.

County and School Boards

The municipality collects taxation revenue on behalf of the school boards and the County of Grey. The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards and the County of Grey, are not reflected in these financial statements.

Trust Funds

Funds held in trust by the municipality, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately on the trust funds statement of continuity and balance sheet.

#### The Corporation of the City of Owen Sound Summary of Significant Accounting Policies

#### December 31, 2023

#### 1. Change in Accounting Policy

Effective January 1, 2023, the City adopted new Public Sector Accounting Handbook Standard 3280: Asset Retirement Obligations. The standard requires that the City evaluate their assets for any potential asset retirement obligations. This change in accounting policy has been made in accordance with the modified retrospective approach of the standard. Under this method, the asset retirement obligation liability, adjusted for accumulated accretion to date, was measured as of January 1, 2022 with a corresponding adjustment to capital assets, accumulated amortization, and net assets. The impact of adoption of this standard at January 1, 2022 was as follows:

Increase in capital assets	\$ 26,543,408
Increase in asset retirement obligation	\$ 17,569,832
Decrease in solid waste landfill closure and	
post-closure liabilities	\$ 2,284,729
Decrease in accumulated surplus	\$ 1,753,773
7	

The impact of adoption of this standard at December 31, 2022 was as follows:

	\ /\	. \	
Increase in amortiza	tion / /	\ \	\$ 7,779
Increase in accretion	expense	\ \	\$ 102,484
Decrease in solid wa	ste landfill ex	kpense \	\$ 56,068
Decrease in annual s	urplus	\	\$ 54,195
Decrease in accumul	ated surplus		\$ 1,807,968
Increase in asset ret	irement oblig	ation	\$ 4,426,723
Decrease in solid wa	ste landfill cl	osure and	
post-closure liabilit	ties		\$ 2,340,797
Increase in capital as	ssets		\$ 277,958

On January 1, 2023 the County adopted PS 3450 Financial Instruments which establishes standards for recognizing and measuring financial assets, financial liabilities and derivatives. This standard is required to be adopted prospectively, therefore comparative figures have not been restated.

2.	Cash	2023	2022
	Cash and bank	\$ 26,543,408	\$ 17,569,832

Interest is earned at the average monthly prime rate less 1.75%.

#### The Corporation of the City of Owen Sound Summary of Significant Accounting Policies

#### December 31, 2023

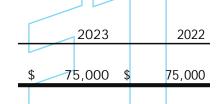

#### 3. Investments

	2023	2022
Unrestricted	\$ 9,827,700	\$ 8,328,190

Investments include guaranteed investment certificates, government bonds, municipal debentures and commercial paper from chartered banks with effective interest rates of 1.35% to 5.63%. Interest is receivable on a semi-annual basis. Investments have a market value of \$9,885,816 (2022 - \$8,200,179) at the end of the year.

#### 4. Loans Receivable

Loan, non-interest bearing, due on demand

#### 5. Asset Retirement Obligation Liability

The City's financial statements include an asset retirement obligation related to remediation required for asbestos present in 22 municiapl buildings, along with closure and post-closure costs of the City's cloased landfill site. As at year-end, an obligation of \$4,310,516 has been accrued on the balance sheet. This aount was determined based on total undiscounted expenditures of \$5,277,129 present valued at a disclunt rate of 2.37% as follows:

Buildings with asbestos 27 - 42 years Landfill 9 years

Payment to settle the asset retirement obligations will occur at the end of their life in full

Tan.	2023	2022
		(Restated Note 1)
Asset retirement obligation, opening Accretion expense Cash outlays	\$ 4,426,723 \$ 104,915 (221,121)	4,324,239 102,484
Asset retirement obligation, closing	\$ 4,310,517 \$	4,426,723

#### The Corporation of the City of Owen Sound Summary of Significant Accounting Policies

#### December 31, 2023

#### 6. Temporary Borrowings

The City of Owen Sound has a demand operating facility with a financial institution at prime less 0.75%. At December 31, 2023, the City had a \$10,000,000 unused credit facility.

#### 7. Long-Term Liabilities

The balance of long-term liabilities reported on the consolidated statement of financial position is made up of the following:

Debentures payable, 1.98% to 4.16%, principal and interest payable semiannually, due 2031 to 2043

Less: Debentures issued internally

\$34,492,443 \$ 37,152,560 (1,951,074) (2,649,984) \$32,541,369 \$ 34,502,576

Principal payments for the next five fiscal years and thereafter are as follows:

2024 2025 2026 2027 2028 Thereafter

\$ 1,961,207 2,029,228 2,099,739 2,172,833 2,248,609 22,029,753 \$ 32,541,369

Interest paid during the year on external long-term debt was \$1,114,134 (2022 - \$818,585).

#### December 31, 2023

#### 8. Tangible Capital Assets - (continued)

The net book value of tangible capital assets not being amortized because they are under construction is \$2,928,570 (2022 - \$3,789,016).

Interest of \$Nil (2022 - \$184,399) was capitalized to tangible capital assets during the year.

The municipality holds various works of art and historical treasures. These items are not recognized as tangible capital assets in the financial statements because a reasonable estimate of the future benefits associated with such property cannot be made.

#### 9. Accumulated Surplus

Accumulated surplus consists of individual fund surplus (deficit) and reserves as follows:

	2023	2022
		(Restated

#### 11. Budgets

Under Canadian Public sector accounting standards, budget amounts are to be reported on the consolidated statement of operations and accumulated surplus and changes in net debt for comparative purposes. The 2023 budget amounts for the City of Owen Sound approved by Council have been reclassified to conform to the presentation of the consolidated statements of operations and accumulated surplus and changes in net debt. The following is a reconciliation of the budget approved by Council.

	2023 Budget	2023 Actual		Actual (Restated Note 1)

#### 13. Pension Agreements

The municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 363 members of its staff. This plan is a defined benefit plan which specifies the amount of the retirement income to be received by the employees based on length of service and rates of pay. Employees and employers contribute jointly to the plan. The amount contributed to OMERS for 2023 by the City was \$2,361,981 (2022 - \$2,138,885). The contribution rate for 2023 was 9.0% to 15.8% depending on age and income level (2022 - 9.0% to 15.8%).

OMERS is a multi-employer plan, therefore, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the municipality does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was on December 31, 2023. At that time the plan reported a \$4.2 billion actuarial deficit (2022 - \$6.68 billion), based on actuarial liabilities of \$134.6 billion (2022 - \$128.79 billion) and actuarial assets of \$130.4 billion (2022 - \$122.11 billion). Ongoing adequacy of the current contribution rates will need to be monitored and may lead to increased future funding requirements.

#### December 31, 2023

#### 14. Owen Sound River District

The following summarizes the financial position and operations of the Owen Sound River District, which is controlled by the municipality. The Owen Sound District has been consolidated into these financial statements.

17.	Post-Employment Benefits	

	2023	2022
Sick leave liability Vacation pay liability Post-employment benefits WSIB future benefit	\$ 4,400 1,514,754 5,743,499 48,000	\$ 5,819 1,526,405 5,431,299 48,000
	\$ 7,310,653	\$ 7,011,523

- Sick leave liability includes amounts earned by employees as defined by applicable union contract but not taken during the year. This amount is funded through reserves.
- The vacation liability includes vacation earned. The vacation year for an employee begins either on their "start date" anniversary or the date defined by the applicable union contract. The vacation liability includes all carry-forward amounts from the previous vacation year and vacation earned from the vacation start date to December 31, 2023. Of the balance \$904,623 has been funded.
- The City pays certain life insurance, health and dental benefits on behalf of its retired employees to the age of 65. The City recognizes these post-employment costs in the period in which the employees rendered the services. An actuarial valuation has been performed as at December 31, 2023 using the assumption of a 4.6% per year borrowing rate and a 4% per year inflation rate. This amount has not been funded. The post-employment benefit shown above is net of unamortized loss of \$283,900 (2022 - \$431,700).

	2023	2022
Current period benefit cost Amortization of actuarial loss Interest costs	\$ 287,300 147,800 280,900	\$ 372,200 241,600 206,500
Total expense for the year	\$ 716,000	\$ 820,300

The City became a Schedule I employer under the Workplace Safety Insurance Act effective January 1, 2010. The City was a Schedule II employer for the years 1998 to 2009 and, as such, the municipality self-insured for WSIB benefits.

The municipality is still liable for events which took place while they were a Schedule II employer. An actuarial valuation has been performed using the projected benefit method. The most recent actuarial report was updated as at December 31, 2021. The total benefits not yet awarded and provision for presumptive cancer legislation for firefighters for the period in which the municipality was a Schedule II employer was determined using a 2.9% per year borrowing rate and a 2.5% per year inflation rate. This amount has not been funded.

#### December 31, 2023

#### 18. Operations of School Boards and the County of Grey

During the year, the following taxation revenue was raised and remitted to the school boards and the County of Grey:

	2023	2022
School boards County of Grey	\$ 5,793,456 8,813,878	\$ 5,791,044 8,598,541
	\$14,607,334	\$ 14,389,585

#### 19. Trust Funds

The trust funds administered by the City have not been included in the consolidated statement of financial position nor have the operations been included in the consolidated statement of financial activities. At December 31, 2023, the trust fund balances are as follows:

			/ \ \		2023	2022
Cemetery Ca Art Collectio	re and Maintena n and Gallery Bu	ance Funds uilding Trus	st	\$	1,514,477 131,629	\$ 1,469,485 125,083
				\$	1,646,106	\$ 1,594,568

#### 20. Contractual Commitments

The Corporation of the City of Owen Sound has awarded a construction contract totalling \$4,702,670 related to filter upgrades for the Water Treatment Plant. At December 31, 2023, \$4,532,230 remains to be spent on this contract.

#### 21. Contingencies

The City has been named in a number of claims that are in proceedings through their insurance company. The City's liability with respect to these claims is not determinable at this time. Management is of the opinion that the City maintains adequate and appropriate liability and errors and omissions insurance to protect the municipality against such claims.

#### 22. Financial Instruments

#### Financial Instrument Risk Management

The City is exposed to credit risk, liquidity risk, and interest rate risk from its financial instruments. This note describes the City's objectives, policies and processes for managing those risks and the methods used to measure them. Further qualitative and quantitative information in respect of these risks is presented below and throughout these financial statements.

#### Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The City is exposed to interest rate risk arising from the changes in interest rates on its variable rate bank account, fixed rate investments and long-term receivable.

#### Credit Risk

The City is exposed to credit risk arising from its cash, taxes receivable, trade and other receivables and long-term receivable. On December 31, 2023, the City folds all of it's cash deposits in one Canadian Chartered bank. The Canadian Deposit Insurance Corporation insures deposits up to a maximum of \$100,000 per depositor. There is the possibility of non-collection of taxes receivable, trade and other receivables and long-term receivable. The majority of the City's receivables are from ratepayers and government entities. For receivables, the City measures impairment of each receivable type based on how long the amounts have been outstanding. The amounts outstanding at year end, which is the City's maximum exposure to credit risk related to receivables, were as follows:

	_	0 - 30 days	31 - 90 days	91 - 365 days	1 to 2 years 3	3 to 10 years
Cash	\$	26,543,408 \$	- \$	- \$	- \$	; -
Taxes receivable		27,297	625,002	937,504	890,229	315,321
Trade and other receivables		3,644,818	989,988	1,087,167	147,973	-
Long-term receivables		-	-	-	75,000	
Total	\$	30,215,523 \$	1,614,990\$	2,024,671\$	1,113,202\$	315,321

#### December 31, 2023

#### 23. Financial Instruments - (continued)

#### Liquidity Risk

Liquidity risk is the risk that the City encounters difficulty in meeting its obligations as they fall due. The City has a planning and budgeting process in place to help determine the funds required to support the City's normal operating requirements on an ongoing basis. The City is exposed to liquidity risk through its accounts payable and accrued liabilities and long-term liabilities. The City ensures that there are sufficient funds to meet its short-term requirements, taking into account its anticipated cash flows from operations and its holdings of cash and cash equivalents. Further, the City seeks to maintain an available line of credit balance as approved by the appropriate borrowing by-law to meet, at a minimum, expected requirements for a period of at least 90 days. The following table sets out the contractual maturities (representing undiscounted contractual cash-flows) of financial liabilities:

		Within 6 months		nonths 1 year	1 - 5 years		er 5 ars
Accounts payable and accrued liabilities Long-term debt	\$	3,953,926 \$		,487,408 ,961,207	1,991,521 8,550,409	1	356,447 329,753
Total financial liabilities	<u> </u>	3,953,926 \$	\ 3	3.448.615	10,541,930	\$ 22.3	386.200
	/		_				

#### 24. Segmented Information

The Corporation of the City of Owen Sound is a diversified municipal government institution that provides a wide range of services to its citizens such as policing, fire protection, clean water and waste water treatment, waste collection and disposal, recreation and cultural services, library and planning. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segment and activities they encompass are as follows:

#### **Administration Services**

This item relates to the revenues and expenses that are generated and incurred by the governance operations and are not specifically attributed to a specific segment. This item includes City Council, Clerk and Legal Services, Human Resources, Financial Services and Information Technology.

#### December 31, 2023

#### 24. Segmented Information - (continued)

#### **Operation Services**

This item includes all revenues and expenditures as they related to the City's Operations departments. Included in this item are Transportation Infrastructure, Water and Waste Water Services, Engineering, Transit, Air Transportation and Street Lighting.

#### Community Services

This service area encompasses revenues and expenses associated with services provided to the community that are meant to improve the health and development of the municipality's citizens. Included in Community Services are the Building and Planning Departments as well as Recreation Programs and Facilities.

#### Parks and Cemeteries

This service area encompasses revenues and expenses associated with Greenspaces including Parks, Cemeteries and Playgrounds.

#### Economic Development

The departments included under the item Economic Development are responsible for Tourism, Small Business Support Services and Downtown Revitalization.

#### Protection Services

This item/includes the services in place to ensure the safety and protection of the citizens and their property. Protection is comprised of police services, fire protection, parking and bylaw enforcement, and animal control.

#### **Cultural Services**

This item includes the revenues and expenses generated by both the Art Gallery and the Consolidated Library Board.

Taxation, payments-in lieu and penalties and interest as well as the Ontario Municipal Partnership Fund Grant are allocated to each segment based on the funding requirements for total expenses less segment specific revenues. Amortization expenses are not included in determining this allocation.

# Independent Auditor's Report

To the Members of Council of the Corporation of the City of Owen Sound

#### Opinion

We have audited the accompanying financial information for the Corporation of the City of Owen Sound Trust Funds ("the Trust Funds"), which comprise the balance sheet as at December 31, 2023, the statement of continuity for the year then ended, and notes to the financial statements including a summary of significant accounting policies.

In our opinion, the financial information presents fairly, in all material respects, the balance sheet for the Trust Funds as at December 31, 2023 and the statement of continuity for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Information section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Information

Management is responsible for the preparation and fair presentation of this financial information in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

In preparing the financial information, management is responsible for assessing the Trust Funds ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Funds financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Funds internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Funds ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial information, including the disclosures, and whether the financial information represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# The Corporation of the City of Owen Sound Trust Funds Notes to the Financial Information

#### December 31, 2023

#### 1. Summary of Significant Accounting Policies

Management Responsibility

The management of the Corporation of the City of Owen Sound has prepared and is responsible for the integrity, objectivity and accuracy of this financial information. The Corporate Services Committee reviews and approves the financial information before it is submitted to Council.

Basis of Accounting

The financial information has been prepared by management in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada as prescribed by the Ontario Ministry of Municipal Affairs and Housing.

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

The preparation of financial information in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial information, and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.

These trust funds have not been consolidated with the financial statements of the City of Owen Sound.

Cash is measured at fair value. All other financial instruments are measured at cost or amortized cost. The carrying amount of each of these financial instruments is presented on the balance sheet. For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense. All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of continuity. Transaction costs are added to the carrying value for financial instruments measured using cost or amortized cost.

Use of Estimates

Basis of Consolidation

Financial Instrument

The Corporation of the City of Owen Sound

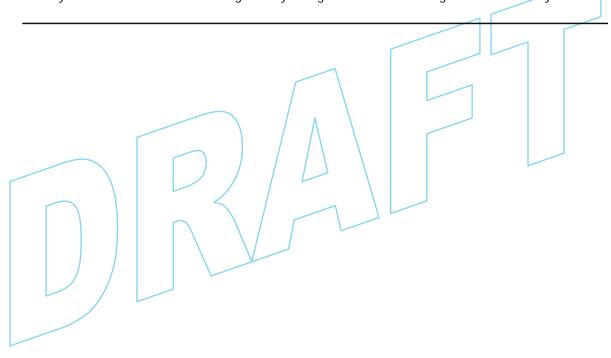

Trust Funds

Notes to the Financial Information

December 31, 2023

#### 2. Financial Instruments

The Trust is exposed to risks that arise from its use of financial instruments. The trust's financial instruments consist of cash and due from City of Owen Sound. It is managment's opinion that the Trust is not exposed to significant currency risk arising from these financial instruments. The Trust is exposed to interest rate risk arising from its bank accounts. The trust is exposed to credit risk relating to its cash. The cash is held in a Canadian Chartered bank. The Canadian Deposit Insurance Corporation insures deposits up to a maximum of \$100,000 per depositor. There is the possibility of non-collection of amounts due from the City of Owen Sound. This is mitigated by being receivable from a government entity.

# APPENDIX B: INDEPENDENCE UPDATE

Tel: (519) 376-6110 Fax: 519-376-4741 BDO Canada LLP 1717 2nd Avenue East Suite 300, P.O. Box 397 Owen Sound, Ontario N4K 5P7

November 14, 2024

Members of the Corporate Services Committee The City of Owen Sound

Dear Members of the Corporate Services Committee:

We have been engaged to audit the consolidated financial statements of The City of Owen Sound (the "City") for the year ended December 31, 2023.

Canadian generally accepted auditing standards require that we communicate at least annually with you regarding all relationships between the City and our Firm that, in our professional judgment, may reasonably be thought to bear on our independence.

In determining which relationships to report, the standards require us to consider independence rules and interpretations of the CPA profession and relevant legislation.

We have prepared the following comments to facilitate our discussion with you regarding independence matters arising since August 22, 2024, the date of our last letter.

We are aware of the following relationships between the City and us that, in our professional judgment, may reasonably be thought to have influenced our independence. The following relationships represent matters that have occurred from August 22, 2024 to November 14, 2024.

- We have provided advice and comments to management regarding several financial statement measurement, presentation and disclosure matters.
- We have provided assistance in the preparation of the consolidated financial statements, including adjusting journal entries and/or bookkeeping services. These services created a self-review threat to our independence since we subsequently expressed an opinion on whether the consolidated financial statements presented fairly, in all material respects, the financial position, results of operations and cash flows in accordance with Canadian Public Sector Accounting Standards.
- We, therefore, required that the following safeguards be put in place related to the above:
  - Management provided us with a trial balance and draft consolidated financial statements, including notes, prior to completion of our audit.
  - Management created the source data for all the accounting entries.
  - Management developed any underlying assumptions required with respect to the accounting treatment and measurement of the entries.
  - Management reviewed advice and comments provided and undertook their own analysis considering the City's circumstances and generally accepted accounting principles.
  - Management reviewed and approved all journal entries prepared by us, as well as changes to financial statement presentation and disclosure.

• Someone other than the preparer reviewed the proposed journal entries and consolidated financial statements.

This letter is intended solely for the use of the Corporate Services Committee, management and those charged with governance of the City and should not be used for any other purpose.

Yours truly,

BDO Canada LLP

Chartered Professional Accountants, Licensed Public Accountants

# APPENDIX C: REPRESENTATION LETTER

Corporation of the City of Owen Sound City of Owen Sound Trust Funds City of Owen Sound River District 808 2nd Avenue East Owen Sound, ON N4K 2H4

November 14, 2024

BDO Canada LLP Chartered Professional Accountants 1717 2nd Avenue East Suite 300, P.O. Box 397 Owen Sound Ontario N4K 5P7

This representation letter is provided in connection with your audit of the financial statements of Corporation of the City of Owen Sound, City of Owen Sound Trust Funds and City of Owen Sound River District for the year ended December 31, 2023, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with Canadian Public Sector Accounting Standards.

We confirm that to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

#### **Financial Statements**

We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated November 29, 2023, for the preparation of the financial statements in accordance with Canadian Public Sector Accounting Standards; in particular, the financial statements are fairly presented in accordance therewith.

- The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement and/or disclosure that are reasonable in accordance with Canadian Public Sector Accounting Standards.
- Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Canadian Public Sector Accounting Standards.
- All events subsequent to the date of the financial statements and for which Canadian Public Sector Accounting Standards require adjustment or disclosure have been adjusted or disclosed.
- The financial statements of the entity use appropriate accounting policies that have been properly disclosed and consistently applied.
- The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to the representation letter.
- We have reviewed and approved all journal entries recommended by the practitioners during the audit. A list of the journal entries is attached to the representation letter.

#### Information Provided

- We have provided you with:
  - access to all information of which we are aware that is relevant to the preparation of the financial statements, such as records, documentation and other matters;
  - additional information that you have requested from us for the purpose of the audit; and

- unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
- We are responsible for the design, implementation and maintenance of internal controls to prevent, detect and correct fraud and error, and have communicated to you all deficiencies in internal control of which we are aware.
- All transactions have been recorded in the accounting records and are reflected in the financial statements.
- We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.
- We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware.

#### Fraud and Error

- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the entity and involves:
  - management;
  - employees who have significant roles in internal control; or
  - others where the fraud could have a material effect on the financial statements.
- We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, analysts, regulators, or others.

#### **General Representations**

- Where the value of any asset has been impaired, an appropriate provision has been made in the financial statements or has otherwise been disclosed to you.
- We have provided you with significant assumptions that in our opinion are reasonable and appropriately reflect our intent and ability to carry out specific courses of action on behalf of the entity when relevant to the use of fair value measurements or disclosures in the financial statements.
- We confirm that there are no derivatives or off-balance sheet financial instruments held at year end that have not been properly recorded or disclosed in the financial statements.
- Except as disclosed in the financial statements, there have been no changes to title, control over assets, liens or assets pledged as security for liabilities or collateral.
- The entity has complied with all provisions in its agreements related to debt and there were no defaults in principal or interest, or in the covenants and conditions contained in such agreements.
- There have been no plans or intentions that may materially affect the recognition, measurement, presentation or disclosure of assets and liabilities (actual and contingent).

- The nature of all material uncertainties have been appropriately measured and disclosed in the financial statements, including all estimates where it is reasonably possible that the estimate will change in the near term and the effect of the change could be material to the financial statements.
- There were no direct contingencies or provisions (including those associated with guarantees or indemnification provisions), unusual contractual obligations nor any substantial commitments, whether oral or written, other than in the ordinary course of business, which would materially affect the financial statements or financial position of the entity, except as disclosed in the financial statements.

#### Other Representations Where the Situation Exists

- We have informed you of all known actual or possible litigation and claims, whether or not they have been discussed with legal counsel. When applicable, these litigation and claims have been accounted for and disclosed in the financial statements.
- Of the claims that are in proceedings through our insurance company, there are no claims or
  possible claims that would exceed or not be covered by insurance coverage currently carried by
  the City.
- Evaluated all land and assets owned by the municipality or where the municipality has accepted responsibility for the land and assets as to whether there are sites in the Scope of PS 3260 Liability for Contaminated Sites or assets in the scope of PS 3280 Asset Retirement Obligation.
- Made available to you all financial records and related data relevant to the assessment of the liability for contaminated sites and asset retirement obligation.
- There are no contaminated sites within the Scope of PS 3260.

Financial instruments have been appropriately classified for presentation purposes within the scope of PS 3450.

Yours truly,

# APPENDIX D: OUR AUDIT PROCESS

# How we audit financial statements - Our six step audit process

#### **IDENTIFY AND ASSESS RISK**

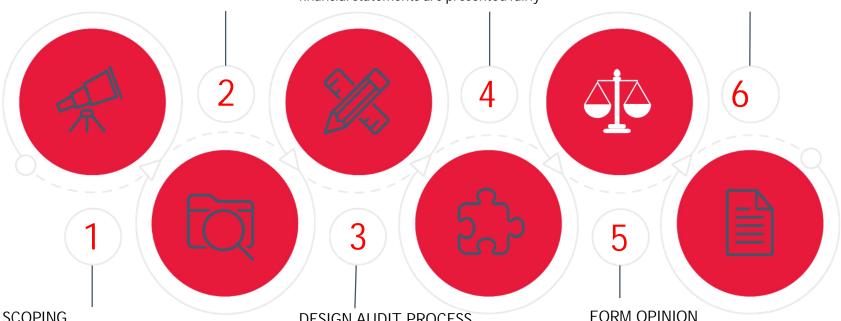

Focus on those areas of financial statements that contain potential material misstatements as a consequence of the risks you face

#### **OBTAIN AUDIT EVIDENCE**

Perform audit procedures while maintaining appropriate degree of professional skepticism, to conclude whether or not the financial statements are presented fairly

#### **REPORT**

Communicate our opinion and details of matters on which we are required to report

#### **SCOPING**

Complete a preliminary review to plan the audit, determine the materiality level, and define the audit scope

## **DESIGN AUDIT PROCESS**

Design an appropriate audit strategy to obtain sufficient assurance and enable us to report on the financial statements

Evaluate whether we have enough evidence to conclude that the financial statements are free from material misstatement, and consider the effect of any potential misstatements found

# Our System of Quality Management

The firm's system of quality management complies with the requirements set out in Canadian Standard on Quality Management 1 - Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements (CSQM-1) as issued by the Auditing and Assurance Standards Board (AASB).

In addition to the requirements set out in CSQM 1, we have identified additional quality objectives and potential quality risks and have designed further policies and procedures to respond to these.

Taken together our system of quality management supports consistent performance of audit engagements by focusing on eight components that operate in an iterative and integrated manner. These include:
