

SCHEDULE D

LIST OF APPROVED WORKS

1. Under the Façade and Structural Improvement Grant Program, the proposed works on the ground floor of the front (west) façade are eligible for grant funding:
 - Removal of existing exterior stone cladding, mesh, plywood, windows and doors;
 - Replacement of plywood;
 - Construction of column frames;
 - Installation of new brick, wire mesh and scratch coat; and
 - Installation of two (2) new windows and one (1) transom window above the doorway.

2. Under the Accessibility Improvement Grant Program, the proposed works to the main entryway are eligible for grant funding:
 - Installation of new accessible door and door opener; and
 - Installation of an accessibility ramp (interior or exterior).
