Subject: Thank you

I would like to thank you all for a wonderful reception last Saturday. It was really great to be acknowledged and to have my work hang in the Tom Thomson Gallery. What a privilege! Aidan, your remarks were touching and very informative.

Also I received the generous honorarium cheque in the mail. It will surely be put to good use. I'm not sure to whom I direct my thanks to within the Corporation of the City of Owen Sound, but I would like to thank them as well. If necessary could you kindly point me in the right direction? Once again thank you so much.

Best Regards,
Nancy Allan Hall
