Dear Sirs/Mesdames:

R.K. Radbourne Building Ltd. re ZBA No. 54, Owen Sound

A hotel proposal next door on another M1 zoned property July 2023.

Only Owen Sound Central Planning could take such a radically different position on two similar hotel proposals side by side.

Sets another milestone for Double Standards and blatant discrimination by Owen Sound Planning regarding Radbourne property.

We wish to be notified of any decision Council makes with respect to this application.

Yours truly,

Ron Radbourne  
R.K. Radbourne Building Ltd.
