City of Owen Sound
Mayor and Council

Re: Funding Agreement with Grey Sauble Conservation Authority

Dear Mayor Boddy and Council:

On behalf of the Board of Directors of Grey Sauble Conservation Authority, we are writing to express our sincere gratitude for the financial support being provided by the City of Owen Sound in the form of a loan to complete our upcoming renovation project. Your assistance is instrumental in helping us achieve critical improvements to our facilities, allowing us to better serve our community and fulfill our mandate of natural hazard protection, environmental conservation and stewardship.

The successful completion of this project will not have been possible without the City's generous support. Your commitment to fostering partnerships that benefit both the environment, and the residents of the Grey Sauble Conservation watershed is truly commendable. These renovations will enhance our ability to provide essential programs, protect natural resources, and ensure that our facilities remain a valuable asset for years to come.

We deeply appreciate your confidence in our organization and your continued collaboration in strengthening conservation efforts across the region. We look forward to maintaining our positive relationship with the City of Owen Sound and exploring future opportunities for cooperation.

Once again, thank you for your support and partnership.

Once we have a definitive date, we would like to invite all of Council to be present at the unveiling of this important community project.

Thank you,

Tim Lanthier
Chief Administrative Officer
Grey Sauble Conservation Authority

Robert Uhrig
Chair
Grey Sauble Conservation Authority
