Details/Purpose of the illumination event: *

Every year, the Ontario Medical Association asks Ontarians to celebrate Doctors' Day and thank the amazing doctors who work tirelessly to keep us healthy and safe. First recognized by the provincial government in 2011, the date was chosen to mark the birthday of Canada's first female physician, Dr. Emily Stowe. For the last four years, various landmarks, city halls and other municipal centres have lit up blue to celebrate our physicians and we hope this year will be the biggest yet.

Description of your organization including a brief history and any other relevant information: *

The Ontario Medical Association represents Ontario's 43,000 plus physicians, medical students and retired physicians, advocating for and supporting doctors while strengthening the leadership role of doctors in caring for patients. Their vision is to be the trusted voice in transforming Ontario's health-care system. The OMA has members across the province, including in Owen Sound.
