

## Attachment No. 1

### Municipal Comparators – Pro-active vs Complaint

Municipality	Pro-active vs Complaint	Notes
Brockville	Complaint	Similar to Owen Sound, should a life safety concern be noticed while on patrol, they will address pro-actively
Cobourg	Both	Pro-active projects are created at the start of the year and assigned a timeline that pro-active enforcement will occur for specific violations
Collingwood	Complaint	Complaint based except for health or safety concern.
Goderich	Complaint	None
Meaford	Complaint (Except for Summer Students)	During the summer months of May to September the division hires seasonal staff to provide pro-active enforcement through patrols, enforcing parking, animal control, parks, and signs. Pro-active for life safety matters.
Orangeville	Both	Complaint based with the exception of parking
Orillia	Both	Mix of pro-active (littering, parking, animal control, licensing, short-term rentals, etc.) and complaint (property standards, zoning, etc.)

<b>Municipality</b>	<b>Pro-active vs Complaint</b>	<b>Notes</b>
Stratford	Both	Pro-active for parking, signs, nuisance and licensing. All other enforcement is based on complaint
Thorold	Complaint	There is some pro-active enforcement of yards but 90% of calls are responded to via complaint
Tillsonburg	Both	Mix of pro-active (animal control, yard maintenance, parking) and complaint (property standards)
